Established in 2017, Notary By SDM is a Rancho Mirage-based notary public and registered process server offering in-office and mobile services. Certified by a nationally recognized leader in the industry, they specialize in escrow, title, and real estate closing signings, ensuring the smooth execution of your legal documents. Additionally, their expertise extends to same-day process serving and locating hard-to-find recipients. Notary By SDM is your trusted partner for notary and process serving needs.
